

Information about cat vaccinations

At Dierenhotel 't Gooi, to ensure the health of all our guests and our staff, we only accept pets that have been fully vaccinated.

NB

- When you bring your pet to us, you are legally required to hand in a vaccination booklet or animal passport that lists all the vaccinations.
- If your pet's vaccinations will expire during his/her stay in Dierenhotel 't Gooi, we regret we are unable to accept your pet.
- Your pet must have been vaccinated at least 14 days before the start of the stay.

Mandatory vaccinations for cats

- **Cat flu**
This vaccination only provides protection for six months. It is therefore important that cats are vaccinated against cat flu twice a year.
- **Feline panleukopenia virus**
This vaccination provides protection for three years.

Cancellation

The obligation to pay when cancelling

- 75% of the total invoice amount when cancelling within 14 days before the start of the pet hotel stay.
- 30% of the total invoice amount when cancelling within 1 month before the start of the pet hotel stay.

Please note: if you do not cancel and do not show up on the agreed date, our payment obligation applies. So remember to cancel in time if you do not bring your cat.
